

# SOHO Lateral Lock Replacement Instructions

**IMPORTANT!** Read all instructions before proceeding.

1. Remove the Retainer Clip and Lock from the Cabinet Top.
2. Insert the new Lock into the Cabinet Top and through the square opening in the Lock Bar.

**Note:** The Lock will turn counter-clockwise to lock the cabinet.

3. Slide the Retainer Clip into the grooves on the rear of the lock.

**Note:** Installing the Retainer Clip requires some force. Care must be taken to avoid metal edges which may be sharp.
